

Increasing Hunger is NOT the way to Reduce the Deficit

Contact Your Members of Congress

The United States House of Representatives is considering cutting SNAP by \$40 billion. Advocates for Ohio's Future urges you to call your Members of Congress in the district to let them know that you are asking your Representative to vote against the House Farm Bill proposal to cut \$40 billion from SNAP. This bill will be devastating to families and communities in Ohio. Increasing hunger is not the way to reduce the deficit.
